Note: *Information provided on this form is confidential. Your contact information will be added to the OECD list of COR&DIP-data users, to keep you informed of future updates. Should you want your name to be removed from the list, please send a message to sti.microdatalab@oecd.org*

Should you encounter issues with the links, we would advise you to check the firewall settings on your end, as these may prevent you to access FTP servers. Also, please note that, unfortunately, FTP sites are no longer compatible with all Internet Browsers: you may try with Internet Explorer, Safari or Filezilla.
